

## A&W Design Build Team

11400 South TIE Committee  
Wednesday, September 9, 2009

### Construction Update: 3600 West- 1300 West

### Construction Update: 42 Inch Sewer

A photograph showing a large, grey concrete pipe section being lowered into a deep trench. The pipe is surrounded by wooden shoring and metal bracing. The ground around the pipe is dirt and gravel.

### Accomplishments : 3600 West- 1300 West

**Work Complete in August**

A photograph of a street construction site. Orange traffic cones are placed along the edge of the road. A road sign is visible on the left. The background shows trees and mountains.

- Water service extension
- Storm drain
- 3200 W.- 2700 W. graded for paving
